WE ARE LOOKING FOR SALES SUPPORT INTERNS

franck.AI is a young, innovative data science company founded by Dr. Isabell Franck. Our Munich-based company combines cutting edge research with industrial experience. Our customers are aiming to optimize automated, highly complex industrial production processes. We help our customers to generate an optimized production, reduce costs and achieve environmental benefits as well as to gain a competitive advantage.

Intern Sales Support/ Project Assistant (m/ f/ d)

You are responsible for supporting franck.AI mainly in sales and marketing projects. You will work closely together with one of the managing directors and you will get deep insights into the everyday life of a start-up company.

Key responsibilities:

- Support the company in mainly sales and marketing projects
- Maintaining our customer relation management
- Preparation, organisation and participation in business and meetings
- Writing and updating the business plan.

What we offer:

- A small, personal team with flat hierarchies
- Development opportunities
- Flexible working hours and varied tasks
- Opportunities to help shape and realize your ideas
- Supportive work environment
- Opportunity for hyper growth as you become part of a rapidly growing organization.

This is what distinguishes you:

- Enthusiasm for machine learning and data science products
- You are a reliable and responsible person
- You work independently
- You speak German and English
- You are studying engineering or economics or have a comparable qualification.
